We the GPSA Finance Committee recommend that we allocate $16,000 of the GPSA General Fund to the following Seven (7) UNM resource centers at $2,000 each. These funds should be reserved for graduate and professional student scholarship opportunities.

- El Centro
- African American Student Services
- Women Resource Center
- American Indian Student Services
- LGBTQ Resource Center
- PNMGC
- Graduate Resource Center

The remaining $2,000 should be allocated to the Lobo Food Pantry to assist in their initiative. Additionally, we recommend that Council request a report of how the funds were distributed.
