

Finance Chair's Summary of Appropriations Requests - December 2015 - Prepared for Council Meeting

FA 2015 - 031 SHSGSA			
Line Item	Request	FC Recommendation	Rationale
			The SHSGSA completed all requirements from the student activities office in order to become chartered by the deadline. The student activities office delayed processing of the charter due to a backlog. The SHSGSA was not chartered before the 8th Friday of the Fall semester (i.e., 10/09/15). We received notification of approval of our charter on 10/20/2015 and subsequently requested PB funds on Nov. 3rd. By this point, we had missed the deadline approved by Council and thus are requesting an emergency appropriation for the amount of our Fall PB funds. In the future, we will ensure to submit our request by the deadline, regardless of charter-status. Please take into consideration that our GSA is only in its 2nd semester. We were founded in February of 2015 and have very few financial resources. These PB funds will allow us to invest in our graduate students and ensure the continued success of our GSA. Additional note: Please consider that prior to the 2014-2015 academic year, we had never claimed our PB funds. In this way, our GSA has provided additional support to the GPSA general fund balance for many years. There was a unanimous vote to not fund and group is suggested to come back in the spring to request for PB and appropriations as needed, since the request was vague and didn't specify what the
