WHO WE ARE

GRADUATE & PROFESSIONAL STUDENT ASSOCIATION (GPSA)

GPSA is the official student government of all Graduate and Professional Students at UNM. We strive to support and promote YOUR interests and concerns on all university affairs. We offer several resources dedicated to advocacy, education, and financial support because we want YOU to succeed. For more information, visit www.gpsa.unm.edu.

What we do to support YOU:

- We offer grants for research, travel, and conference expenses.
- We offer funds to support graduate student organizations.
- We offer free coffee, printing, and computer pod services.
- We advocate for YOU at University Administration Meetings and at the State Legislature.

IMPORTANT MEMO FROM PRESIDENT SAAVEDRA

I hope your summer classes are going well and you are enjoying the summer season. We are working hard to get things in line for the upcoming year in which we transition back to in person learning. GPSA is working hard for graduate and professional students, and we have some exciting things planned for the upcoming year. A couple of announcements to update you on; FAFSA/State Aid, GPSA Survey, Newsletter, Positions, and Initiatives.

HAVE YOU FILLED OUT YOUR FAFSA AND/OR STATE AID FORM?

A message from the Enrollment Management Division: "In the coming weeks, the University of New Mexico will begin drawing down funds from the Higher Education Emergency Relief Fund (HEERF) dedicated for student grant aid and making awards to students.

Funds will be prioritized for those students with the greatest financial need, as evidenced by receipt of the 2021-2022 Free Application for Federal Student Aid ([FAFSA](#)), based on guidance given to us by the Department of Education.

Students that are not eligible for or have concerns about federal aid eligibility and/or completing the FAFSA should be aware that the UNM [State Aid Application](#) is an option. This state aid application will also allow students to be considered for institutional and state financial aid. No information is shared with the federal government and it comes directly to UNM.

Fund consideration will include both undergraduate and graduate students enrolled at least half-time and with a financial aid application on file for 2021-2022. For this round of resources, all students that meet this criteria—regardless of citizenship or immigration status—will be considered.

IMPORTANT MEMO FROM PRESIDENT SAAVEDRA

CONTINUED

In short, students that need additional resources to offset educational costs should complete either the FAFSA or UNM State Aid Application if not already done. And it's recommended to have either a current local address on file with UNM or set up direct deposit through the [Bursar's Office](#) as soon as possible—funds will be disbursed directly to the student electronically (preferred) or by paper check.”

WE WANT YOUR INPUT IN THE UPCOMING GPSA SURVEY!

In order to gain some information to help GPSA plan the year and gain some insight on how we can provide the best possible resources we will be conducting a survey. We encourage each of you to fill out this survey honestly with the year ahead in mind. The window to complete the summer survey will be from July 12, 2021 – July 26, 2021, each individual to complete the survey will be entered into a giveaway. More details to come.
