SPONSOR ANNOUNCEMENT

NOVEL POINT COFFEE IS A PROUD SPONSOR OF GPSA!

Our team is excited to announce that Novel Point Coffee is a proud sponsor of GPSA! Learn more about Novel Point Coffee at <https://www.novelpointcoffee.com/>.

Novel Point Coffee is one of Albuquerque's newest Third Wave coffee shops, located in the historic Barelás neighborhood, that is focused on inspiring discovery and yielding greater insight into human and coffee culture. They hope to come alongside the coffee lover in their personal coffee journey and provide the knowledge and resources to develop their palate and brew tastier coffee. Novel Point aims to be a business centered on training and educating the individual, whether a first-time homebrewer or experienced barista, in the values of the specialty coffee industry in hopes of challenging & improving upon it.

Novel Point Coffee was founded during the pandemic by UNM biology graduate Alex Espinosa. Alex served coffee to UNM students, staff, and faculty for over 5 years at the Satellite in the SUB. He gave up his pursuit of medical school to start Novel Point and hopes he can apply his science degree to the coffee industry in the most simple, friendly, and approachable manner. Alex can be found serving up some delicious 'spro and locally-roasted single-origins six days a week (Monday thru Saturday, 7am to 2pm). They currently operate out of La Esquinita, a developing food market + business incubator that will also feature the city's first permanent food truck park. Feel free to stop by 4th and Coal Ave. and try one of their monthly novel concoctions intended to promote discovery or chat with the staff about anything coffee-related!

AMAZON GIFT CARD OPPORTUNITIES FOR UNM GRAD STUDENTS!

I invite you to take part in a mixed methods research project that I'm conducting for my doctoral dissertation to improve research ethics education at UNM. Specifically, I'd like your feedback on the types of learning environments that support ethical development.

There are two phases to this study: 1) an online objective-style survey that takes approximately 30 minutes to complete, followed by 2) interviews of selected graduate students that will take approximately 30 minutes per interview. You may choose to participate in only the survey, OR both the survey and interview phases of the study.

If you consent to the survey by July 30 you may choose to be entered into a prize drawing for a \$25 Amazon gift card. If you consent and are selected for an interview, you will be emailed an additional \$10 Amazon gift card upon completion of the interview as compensation for your time.

Whether you agree to only the survey OR both the survey and interview, please click here to proceed. Or copy and paste this URL into your internet browser: https://forms.unm.edu/forms/lep_survey.
