

## Welcome

- If you are interested in staying involved with GPSA, contact Shaikh.

## Communications Committee

- Ansely: Facebook, Instagram, LinkedIn analytics increased significantly over the 2021/2022 year. Social media meetings were held at the beginning of every week to coordinate content. Ansely interested in continuing with GPSA next year.
- Rae: Communique has been improved throughout the year with organization.
- Ana: Council chair elections led to a tie between Ansely and Jarod. Jarod was officially elected to be Council Chair for the 2022/2023 year.
- Tara:

## Finance & Grants Committee

- Katie & Alex: Appropriation requests have significantly increased. Final appropriations meeting is tomorrow. There is currently \$3,000 to spare in distributable funds for the year, and most appropriation requests were funded this year.
- Olaitan: Communications have been a huge reason for the increase in grant applications. The completion rate of the grant application process has also significantly increased. Transparency with the grant distribution process should be a priority of the next administration – this would decrease the number of appeals received from students. Connections with North Campus should also be a priority. The incoming grants chair should reach out to previous grants chairs for
